SUBJECT	Competitor Bulletin No 2	
DATE	9 July 2022	TIME: 1700hrs

TO	All Competitors	

1.0 Reseeding. Reseeding requests can ONLY be made on the official form which is on the Down Rally website and Sportity. Competitors should submit actual results which support their reseeding request. Reseeding requests must be submitted by 12 Noon on Friday 22 Jul 22 to [downrally22@gmail.com](mailto:downrally22@gmail.com)

It should be noted that on this event cars start at 1 minute intervals so even on the longest stage a car which is 5 seconds per mile slower will not be caught by the end.

2.0 Reconnaissance.

2.1 Please note that for the **Hamilton's Folly stage on Saturday 16<sup>th</sup> July 22 reconnaissance must be finished by 1400hrs (2pm)** instead of the time of 1600hrs (4pm) shown in the regulations (Para 6.1.4 of Supplementary Regulations). This is because of a wedding taking place on the stage which will be congested with parked cars. Competitors may still continue reconnaissance on the other stages on that day until 1600hrs (4pm)

2.2 Location. Competitors are reminded that Reconnaissance registration is at Lagan Valley Island Civic Centre Lisburn BT27 4RL, at the times shown in Para 6.1.1 and 6.1.2 of the Supplementary Regulations.

2.3 Recce Vehicle Details. Competitors should bring with them to registration the Make, Model, Colour and registration number of the car they intend to use for reconnaissance (*hint: take a picture of the car before going into registration*).

2.4 Competitors will be issued with a Road Book and Reconnaissance Number which must be displayed in the top corner of the windscreen of the Reconnaissance car. Competitors should also advise at reconnaissance registration if their contact number has changed.

3.0 Competitor Sign On. Competitors are reminded they must sign on for the event using Rallyscore. The sign-on page is available on Rallyscore under Carryduff Forklift Down Rally – this is in addition to the entry form and replaces the physical Motorsport UK sign on form.

4.0 E-mails. Some competitors have reported that e-mails issued via Rallyscore are in their junk e-mail folders. Could competitors please check their junk e-mail folder and if necessary add Rallyscore to contacts/favourites.
